OBJECTIVE

Motivated web developer with experience in web development and Java programming. Skilled in Java and data structures, with a strong understanding of core programming concepts. Passionate about building efficient, scalable applications and eager to contribute to a dynamic development team.

EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech. CSE	Sreenidhi Institute of science and technology	9.39	2022-26
Senior Secondary	TSBIE Board	97.8	2020-22
Secondary	SSC Board	10.0	2020

INTERNSHIPS

CodSoft Intern-Virtual

-Developed responsive and user-friendly web interfaces using HTML, CSS, JavaScript, and React.js, Gained hands-on experience in version control (Git), debugging, and cross-browser compatibility.

Java Full Stack Developer — Virtual

oct - dec.2024

- Acquired hands-on experience in Java Full Stack Development, including backend development with Java, Spring Boot, and RESTful APIs, and frontend technologies like HTML, CSS, JavaScript, and React/Angular.

PROJECTS

Full Stack GYM Application: Full Stack Development

Developed and deployed a comprehensive gym management system using React, Node.js, and Express, featuring user authentication, membership tracking, trainer profiles, and payment processing. Implemented responsive UI with Material UI,

Attendance Management Application: Frontend development

Designed and implemented a responsive frontend interface for an attendance management system using html, css and javascript, featuring real-time attendance tracking, intuitive data visualization dashboards, customizable reporting tools, and role-based access control enhancing user experience through optimize the process.

TECHNICAL SKILLS

- **Programming:** C/C++, Python(familiar)
- **Development:** HTML, CSS, JavaScript, Node.js
- **Databases:** MySQL
- **CS Subjects:** Data structures and Algorithms, OOPs concepts, Operating system
- **Software:** MS-Office

EXTRACURRICULAR ACTIVITIES

Presented research/work at the NCICCN Conference, gaining exposure to the latest advancements in computing, communication, and networking. Engaged with industry experts and seniors enhanced technical knowledge, and developed presentation and networking skills.

CERTIFICATIONS

- NCICCN Volunteer Certificate
- Web Development Workshop Certificate from IIT Varanasi
- INFOSYS Certificate in Career planning and Interview preparation
- NPTEL Certificate in Problem Solving Through C Language
